

Cookie Policy

Effective date: 21 November 2025

This Cookie Policy explains how **GrantLab s.r.o.** (“we”, “us”) uses cookies and similar technologies on www.grantlab.cz (the “Site”). It should be read together with our [Privacy Policy].

1. What are cookies?

Cookies are small text files stored on your device when you visit a website. They help the site remember your actions and preferences and can also be used for security, statistics and, in some cases, marketing.

We also use similar technologies such as scripts and pixels, which work in a comparable way.

2. Who sets cookies?

Cookies on our Site are set by:

- **First-party cookies** – placed directly by us (via our website platform Wix).
- **Third-party cookies** – placed by trusted service providers such as **Google Analytics**.

These providers may process some data as our **processors** (on our instructions) or as separate controllers (for their own purposes). For details, please see their policies (e.g. Google and Wix).

3. Types of cookies we use

We use the following categories of cookies:

1. Essential cookies

- Needed for the Site to work (security, load balancing, basic functions).
- Set mainly by **Wix**.
- These run without your explicit consent (our legitimate interest in operating a secure, functional website).

2. Analytics cookies (optional)

- Used to understand how visitors use our Site (which pages are visited, how long visits last, etc.).
- We currently use **Google Analytics** for this.
- These cookies are used **only if you give consent** via the cookie banner or Cookie settings.

We do not currently use advertising or social media cookies on the Site. If this changes, we will update this Cookie Policy and the banner.

4. Cookie consent and legal basis

When you first visit the Site, you will see a **cookie banner**:

- You can **accept** all cookies or **reject** non-essential cookies.

- You can also customise your choices and change them later via the **Cookie settings** link/badge on the Site.

Legal bases under the GDPR:

- **Essential cookies** – our legitimate interests (Art. 6(1)(f) GDPR).
- **Analytics cookies** – your consent (Art. 6(1)(a) GDPR), which you can withdraw at any time.

5. How to manage cookies

You can control cookies in several ways:

- **Cookie settings on our Site** – adjust or withdraw your consent for non-essential cookies.
- **Browser settings** – most browsers let you block or delete cookies.
- **Tools from third parties** – for example, Google provides additional controls for Google Analytics.

If you block or delete essential cookies, some parts of the Site may not function properly.

6. Changes to this Cookie Policy

We may update this Cookie Policy from time to time, for example if we add new tools or change how we use cookies. We will always show the latest version on this page with an updated **effective date**.

For more information about how we handle personal data (including your rights under GDPR), please see our **Privacy Policy**.
